MEMORANDUM FOR : Assistant Director for ELINT

SUBJECT : Equipment for [REDACTED] and Company

25X1A

25X1A

1. From time to time messages are received from [REDACTED] requesting equipment for support of operations in which he is involved. At this particular time, Signal Measurements Staff has several reasons for wanting to assist [REDACTED] with equipment especially when it may be used for SMS type of activity either now or in the immediate future.

2. [REDACTED] has noted a considerable delay in-house in responding to [REDACTED] requests for equipment and would volunteer to work with [REDACTED] to determine whether or not suitable or alternate equipment might either be in stock or at [REDACTED] place which would satisfy [REDACTED] immediate needs and, in addition, have potential for obtaining measurements for Signal Measurements Staff.
